**Nyon Region: Why look further?**

## Dear Competitors, Dear Guests

Welcome to the Nyon region! What better place to host the Marisa Sgaravatti Trophy and European Master Team Championship than the Golf & Country Club of Bonmont?

The Nyon region and more broadly the La Côte shore of Lake Geneva is there to offer you some magnificent golf courses but also a real miniature Switzerland. It is one of the most beautiful coasts in the world.

From the summit of the mountain La Dôle to a beach by the lake, Nyon and its region combine culture and leisure, sports and gastronomy, festivals and celebrations all year round. A region to discover, by train or boat, and to taste! There are so many local specialities such as perch fillets, Begnins bacon, Malakoff or cheese fondue, all accompanied by La Côte wines.

In summer, beautiful hikes allow you to escape to the Jura.

In winter, St-Cergue and La Dôle welcome you to ski day and night.

The Museum Pass gives you access to 8 museums, including 3 castles. In particular, you can visit the Swiss National Museum at Prangins castle, the historical and porcelain museum at Nyon castle, and the real home of Madame de Staël at Coppet castle.

The town of Nyon, which you can discover on guided tours, contains treasures from Roman times as well as those of Lake Geneva - to be discovered in two museums.

We look forward to welcoming you to share the beauty of our region and we wish you the best of luck for the competition.

**Didier Miéville**  
Director of Nyon Region Tourism

The Tournament will consist of two phases:

- 36 holes qualifying, 2 rounds of 18 holes stroke play on consecutive days.
- Match play within flights – two days.

#### 7. First phase – stroke play

There shall be two rounds of 18 holes stroke play on days 1 and 2 to decide the draw for the match play, which commences on day 3. The draw for the stroke play will be made in twos and threes from different nations (8 to 10 minutes interval). Captains may place their players in any order they wish on either day, but must notify the Tournament Committee of this order :

- for the first round by 17:00 on the day preceding the tournament.
- for the second round by 17:00 on day1 of the tournament.

If by the end of the first day the captain has not handed in any order before 17:00, her team will resume the same position as for the first round.

- The best four scores out of five will count each day. The total aggregate of eight scores over the two days will constitute the score of the team.
- In the event of a tie, the total of the five scores of the last day will count.
- If there is a further tie, the total of the five scores of the first day will count. Then the best score of the last day will count. Then the second best score, and so on.

#### 8. Second phase – match play

**NOTE:** After 18 played holes, if an individual match is tied, the match continues without delay with extended holes till the match is settled. If however either team has already been declared winner in at least 3 individual matches, tied matches will not extend beyond 18 holes. Such match is declared halved and both teams earn ½ point. Similarly, the same applies to an individual match in play when the match already has been won by one of the teams. Such match is discontinued and declared halved with both teams earning ½ point.

d) One point for each match that is won and ½ point for a halved match. If a player fails to play one match, the opponent gets that point.

e) Order of play for the match play:

On the eve of each match, each Captain must notify the Tournament Committee in a sealed envelope the names of the players in their team and the order of play. This envelope shall not be opened before the Committee has been able to receive the opponent's sealed envelope for the third day match: within 30 minutes of the completion of the second round stroke play.

#### 9. Substitutes

Substitution of any of the six players is allowed for any reason. For the teams with 5 players: if after the start of the Tournament a substitute player is required, only for reasons of illness, injury or exceptional ground acceptable to the Tournament Committee, the Non-Playing Captain, as long as she conforms with the eligibility condition, will be permitted to become a Playing Captain and she will take the position of the player she substitutes. Otherwise, the penalty for breach of this Rule is disqualification.

### 15. Play suspended because of bad weather

b) The ball that the player uses shall be named on the current list of conforming balls issued by the R & A Rules Limited and the USGA (see above). The list will be available on the first tee (starter) and the competitors shall ensure that the golf ball they are playing is on that list.

c) The use of golf carts is allowed as long as the host country has enough golf carts for all players.

d) Slow play rules will apply to this Championship. At the Captains' meeting prior to the Championship a standard will be set for the speed at which the game will be played. Sanction following Committee Procedures, Section 5G (Rule 5.6).

e) Caddie – see Rule 10.3 Caddies – Everyone can have the caddie of her own choice with the exception of professionals (coaches). Fellow team members and team Captains will be allowed.

f) The Tournament Committee reserves the right to amend the Rules and Conditions should it be necessary.

### 11. Practice

There are no restrictions for practising before the competition.

## V SPECIAL RULES

### 12. Drug abuse

The guidelines of each member country with regard to drug abuse are applicable to all European Championships and International Matches. The hosting country should inform the participants about the rules of conduct on the notice board before the Championship starts.

### 13. Disqualification

A team disqualified automatically assumes last place in the Championship.

### 14. Failure to start – starting time

The player must start at the time established by the Committee.

Rule 5.3a shall apply: If the player arrives at her starting point, ready to play, within five minutes after her starting time, the penalty for failure to start on time is two strokes penalty at the first hole in stroke play. Otherwise, the penalty for breach of this Rule is disqualification.

### 15. Play suspended because of bad weather

a) If the 4BBB is washed out, it will be played on the next day instead of the first individual stroke play.

b) If one of the two individual rounds is washed out, the one individual round played alone will count, but all four scores must be handed in.

c) If two days are washed out, the Championship will consist of only the 4BBB stroke play round over 18 holes.

### 16. Use of mobile phones and other communication devices

Walkie-talkies are for use by the Tournament Committee officials only. The Team Captains are not allowed to use them.

Use of mobile phones by a player, caddie or team Captain on the golf course is not recommended. However, in case of emergency or danger (for medical reasons etc.) or to call the Tournament office, a mobile phone may in these exceptions be used. In all cases a mobile phone should be switched off in order to avoid distracting the other players.

Using a mobile phone as authorized by the rules but distracting other players:

- a. First offence: the player is guilty of a breach of etiquette and should switch off her mobile phone.
- b. Subsequent offence: the player is guilty of a serious breach of etiquette and the Committee

## European Ladies' Masters Team Championship Rules and Conditions

### 17. Use of distance measuring device

Only devices measuring distance are allowed.

### 18. Sponsoring

Limited name and logo recognition is allowed on golf equipment and clothing (max. 10x3cm or 5x5cm). The player's name must not appear in connection with sponsor's name or logo. The ESLGA-Committee has to be informed beforehand (and by sending photos) and must approve the advertising (see also „Decisions on the Rules of Amateur Status“).

## VI TROPHY and PRIZES

### 19. Prizes

The Trophy will be presented by the Hosting Country to the winning team who holds on to it for the ensuing year. The winning country will be responsible for the cost of engraving, insuring and maintaining the Trophy.

The ESLGA will present medals including strings to the members of the winning team, the second team and the third team. If the Host wishes they can organise/give additional prizes.

## VII RECOMMENDATIONS

### 20. Captains' Meeting

The Captains' meeting will take place at the end of the practice day. The Tournament Director, Head Referee and all Team Captains should attend. Local rules, course conditions and „Pace of Play policy“ (Rule 5.6b (3)) will be explained; questions from captains will be answered. The recording area shall be indicated.

### 21. Etiquette

As the friendly and sporting character of the tournaments is an important goal of the ESLGA,

participants should enjoy themselves, while playing and behaving in the true spirit of the game. The final results should be ready at the Closing/ Prize giving ceremony and to be presented and distributed to all team captains.

Members of the Tournament Committee, referees and Captains should speak and understand the English language.

To avoid slow play:

- the course will always be played from ladies forward (red) tees, whatever the course length is.
- pin positions to be reasonably placed
- the Tournament Committee should provide forecaddies where necessary
- the captains should inform their players:
- to be on the right starting tee 15 minutes before the starting time
- when searching for balls, to give priority without delay
